Member Agreement

By sending in this sign-up form, I realize that joining Suncrest Gardens CSA is a season long commitment. I understand that there are bounties and risks associated with farming and I agree to share in both with the farmers and other CSA members. I understand the Pick-Up Site Guidelines listed below and my responsibilities as a Suncrest Gardens CSA member.

Suncrest Gardens Pick-Up Site Guidelines

- It is your responsibility to pick up your share during your site's scheduled hours and day/s. Unless other arrangements have been made ahead of time, produce that is not picked up during the site's scheduled hours will be distributed or donated.
Share pick-ups are self-serve and on the honor system. Your site will be open during the scheduled hours, but your site host will not necessarily be available. Unfold your box at the pick-up site and pile it neatly. Clean egg cartons can be stacked with boxes
If you are unable to pick up your box on delivery day, please make arrangements for your produce ahead of time. A few options: ask someone else to pick up your box, ask the farm to not make a box for you that week, or ask your site host to hold your box for a later pick-up that day. Site hosts are not expected to hold produce overnight.
